

Santiago Chile Guide To The International City

Santiago Chile Guide To The International City - Santiago is emerging from the shadow of its South American neighbours with a vibrant food scene and rapidly changing neighbourhoods. If you plan to go exploring or mountaineering, notify the local authorities before you set off. For further information on mountaineering, contact the Federación de Andinismo de Chile, Almirante Simpson 77, Santiago, Chile, Telephone: (56 2) 2220888. Santiago to Cajon del Maipo Small-Group Day Trip with Picnic. After morning pickup from your Santiago hotel, travel with your guide southeast of the city on a winding road that climbs upward alongside the Maipo River. As you travel through Cajón del Maipo, a canyon and river valley carved into the Andes mountains by the river,... You have arrived at Comodoro Arturo Merino Benítez International Airport, Santiago's main international airport and the gateway for many visitors to Chile. For a complete city guide, check out our Ultimate Guide to Santiago. Hopefully, your trip was great and you are looking forward to exploring Santiago.
