Sink Or Swim New Job New Boss 12 Weeks To Get It Right - I expect to get a job offer soon and will need to give notice to my current job. But my boss is in the office kind of sporadically, so I never know how long he is going to stay. Is it a bad idea to talk to him as soon as he comes in (and then having to work there for the rest of the day) or should I ...The Problem. One-third to one-half of new CEOs, whether they're hired from outside or from within, fail within their first 18 months, according to some estimates. Anya was so excited when she started her new job three weeks ago – it's her dream role! But now she's questioning whether it was a good career move after all.
